NOVEMBER 2025

MONTHLY NEWSLETTER

hello November

We're in the final stretch of our school year, and what a month it has been! Beyond our sweet little Penguins preparing for graduation, we've been buzzing with activity. We have been hosting school tours, heading out on class trips, welcoming special visitors, launching new after-school clubs, leading workshops, running fundraising events, and even visiting village schools to distribute reusable pads. Phew! What an extraordinary month for our community!

“Teaching is the art of awakening curiosity.”

Megan was our very first on-the-ground intern back in 2021 and has played a huge role in shaping Baobuyu into the school it is today. She picked up right where she left off, deeply involved in our gardens, leading female empowerment initiatives, health and mindfulness classes, and of course, teaching us all to relax and stretch with her fabulous yoga sessions! This year, Megan has already created many after-school clubs and has so many innovative, fun ideas lined up for the months ahead. We can't wait to see them come to life!

“I'm so excited to be back at Baobuyu for my third time! It has been incredible to watch the center grow over the years. This round, I'm looking forward to starting new clubs, including Safari Club, Dance Club, and Girls' Movie Club, and getting involved in a few side projects as well. I can't wait to see how the next few months unfold and feel grateful to be staying much longer this time!”

'SPLISH SPLASH FUN AT RADISSON BLU!'

Imagine never having been swimming before... and then imagine being invited to the Radisson Blu Kids Club for a full day of pure fun, laughter, adventure, and joy! That's exactly what happened for our Baobuyu class during our 2025 class trip! To say it was the best day ever is an understatement. The excitement on their faces, the giggles, the bravery, and the unforgettable moments made it a day that will stay in their minds and hearts forever. A huge thank you to **Radisson Blu** in Livingstone for hosting us!

Senior Class Trip

Another Best Day Ever!

Our senior class had an unforgettable safari through Mosi-oa-Tunya National Park! From warthogs and zebras to cape buffalo, giraffes, and a stunning array of birds, the day was full of incredible wildlife sightings.

A huge thank you to Steve and the **African Safari Experience** team for being such wonderful hosts and for treating us to delicious pizza right in the park!

It's safe to say this was one of our most memorable days ever. Thank you for helping make it so special!

REUSABLE PADS OUTREACH!

This month we made trips to Simonga Primary and Secondary School and Chaba Primary School, teaching students about menstrual health and distributing reusable pads. Thanks to the generosity of our donors, we were able to provide a total of 430 pads to girls in Grades 8, 9, and 10!

A huge thank-you to everyone who contributed to our pad campaign earlier this year—your support is helping us take important steps toward ending period poverty and ensuring every girl can attend school with confidence and dignity.

OUR 4th ANNUAL PAD CAMPAIGN is now underway! For only \$15, you could provide 10 reusable pads to a girl in the village!

“Supporting our girls today means empowering the leaders of tomorrow. Every pad, every donation, every step counts.”
